SUMMARY

A strong passion for advancing artificial intelligence and a commitment to leveraging technology for impactful solutions are expressed. Proficiency in data analysis and Python programming, acquired through rigorous academic training and specialized certifications, supports readiness to contribute meaningfully. Eagerness to engage with a mission-driven team dedicated to driving transformative change within the industry is evident.

KEY ACHIEVEMENTS

AI Model Optimization

Developed AI models reducing processing time by 40% using advanced algorithms.

Certification Accomplishments

Completed 3 certifications, enhancing skills in AI and software development.

Team Leadership Success

Led a team of 5, achieving 90% project completion rate ahead of deadlines.

Data Project Excellence

Executed 5 data projects, improving efficiency by 25% in decision-making processes.

EDUCATION

Bachelor of Technology - BTech, Artificial Intelligence

Bennett University

📅 08/2024 - 01/2028
